About This Game

Enjoy the Angelus Brand VR Experience with a few games and a show room.
You can do multiple things such as:

Play basketball with our paint bottles to try and get high score with a timed game.

Run through our obstacle course and collect paint bottles to see how far you can get.

Enjoy our virtual showroom as we showcase some of our products for you to enjoy and throw around.

Try to get the high score on both games for bragging rights!

Angelus Brand has been around Since 1907 with Made in America products.
